

Task 1: Underline the adjective.

Remember adjectives describe the noun!

The long, green caterpillar stomped across the crunchy, brown leaves.

Quickly, the uncomfortable, long caterpillar searched the piles of old, dried twigs looking for someone to share his shoes with.

The caterpillar had hundreds of comfy, special shoes on his many, busy feet.

The caterpillar wore tired, battered, trainers which had red stripes.

Among his other shoes the caterpillar had fluffy, soft, purple slippers these were his favourite.

The other shoes which he was quite fond of were shiny, black tap shoes which were as black as black as the night sky.

Task 2: Create your own sentences.

You can use these sentences to help you or create your own completely! Try to use different adjectives each time!
